TOWN OF MAMMOTH

Established in 1876 as a mining camp, Mammoth is located at the base of the Galiuro Mountains, just west of the San Pedro River.

Incorporated on March 17, 1958, Mammoth has had its ups and downs. We are a small town looking to re-establish our beautiful little piece of Arizona into a growing and thriving community once again. We are centered between Tucson and Globe (about 60 miles either way), we are looking for you to join our Community and have your families grow with ours.
