

# Welcome to the town of mammoth

## The Town of Mammoth

Arizona

### Your new community curbside trash service outline

Effective **January 1<sup>st</sup>, 2024**, Waste Connections of Arizona (WCofAZ), formally known as Right Away Disposal (RAD), is your, newly awarded, sole waste provider for the residents of Mammoth. We would like to take this opportunity to welcome you to our Arizona family of customers.

## PLEASE NOTE

### Starting Monday, January 1<sup>st</sup>, 2024

Your new weekly service is each **Wednesday**

*Note: Due to Christmas and New Year Day,  
your first two weeks of service are pushed back one day.*

WCofAZ is committed to meeting your expectations and satisfaction during this transition. For 16 years now, WCofAZ has worked steadily in building a positive reputation in Arizona, which is based on integrity, reliability and exceptional service. We are truly confident in hitting this benchmark in your new service.

Please review the following information  
to assure a seamless transition

Buy local, support local!

## Transition of New Service and Service Guidelines

**Waste Management Cart Removal** - Your last day of Waste Management Service will occur **Tuesday, December 26<sup>th</sup>** for trash and recycling. Place your Waste Management trash and recycling cart at the curb before 6:00 a.m. on last day scheduled service and leave them on the street (do not use after they have been serviced). A different truck will pass through the neighborhood **on the same day** to collect the empty carts, please leave carts out until collected. We understand many residents may be away and unable to place carts out for removal during this time frame. To accommodate these residents, the Town is allowing carts to be placed out, in advance, prior to the provided cart collection dates and during the weekend of December 16<sup>th</sup> and 17<sup>th</sup>.

**Very Important - Please Read!** If you forget to place your carts at the curb on each scheduled day of service and leave them out during the cart collection process please contact Waste Management Customer Service at 866.909.4458. You may be charged \$75.00, or more, for the return trip charge to EMPTY and PICK-UP the old cart/carts. If your cart/carts are not placed out for pickup and Waste Management is unable to recover your cart/s, you may be charged up to \$125.00 per cart. In addition, Waste Connection of Arizona WILL NOT collect trash from any Waste Management Cart.

### Details of your new WCofAZ service:

**New WCofAZ Customers Cart Delivery - New Cart Delivery - Tuesday, December 19<sup>th</sup> to Wednesday, December 20<sup>th</sup>**  
(95 gallon carts made in Goodyear, Arizona)

**Your Regular Weekly Day of Service - Each Wednesday**

**First Day of Service: Thursday, December 28<sup>th</sup>**

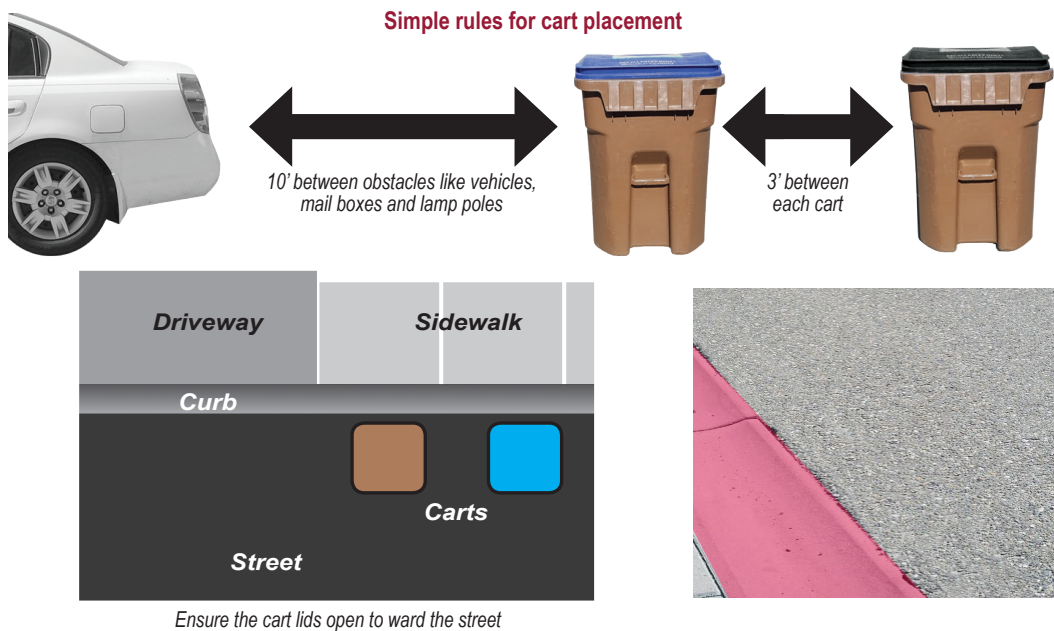

*Please place your cart out the night before service or before 6:00 a.m. the day of service. To reduce the 10 days between service providers (Waste Management last day December 26<sup>th</sup>, WCofAZ first day January 4<sup>th</sup>), due to the new agreement start date, WCofAZ is beginning service one (1) week early during this transition period free of charge.*

### Extra Carts

Extra carts for trash are available at \$8.00 per month. If you currently receive "extra cart" service, the extra carts will be delivered Wednesday, December 20<sup>th</sup>. If require extra cart service, please contact the Town.

### WCofAZ service tips

Place garbage cart/s out the night prior, or by 6:00 AM, on your service day. Contracted service is 6:00 AM to 6:00 PM Position carts on the street with wheels as close to the curb as possible. Allow 3 feet between each cart and 10 feet away from cars, mailboxes, landscape or other items that may interfere with service. Face cart so lid opens toward the street (handles curbside). Do not overfill or place additional garbage on top. Lids must be fully closed. This reduces airborne trash on windy days. Always keep sidewalks clear for pedestrian traffic and children. Items such as oil, paint, solvents and other liquid household hazardous waste materials are strictly forbidden within your curbside program.

### Holiday Service and Schedule

WCofAZ observes **four (4)** Holidays throughout the year and will not be providing collection service on these Holidays:

Independence Day • Thanksgiving Day • Christmas Day • \*New Year's Day

*\*New Year Day will have changes to your scheduled service*

If your service day falls on one of the above listed holidays, then you will receive service the following day. The rest of the week following the holiday is also pushed back one day, with Friday's customers being serviced on Saturday. Holidays such as Memorial Day, Labor Day, MLK Day, Presidents Day and Veterans Day are not affected, please set your carts out on regular day of service for these holidays.
